I've been around for a long, long year

Pleased to meet you

I stuck around St. Petersburg

Anastasia screamed in vain

## DIAMONDS

Dm C Dm C Dm C Dm C

Now and then I think of when we were together

Dm C Dm C Dm C Dm C

Like when you said you felt so happy you could die

Dm C Dm C

Told myself that you were right for me

Dm C Dm C

But felt so lonely in your company

Dm C Dm C Dm C Dm C

But that was love and it's an ache I still remember

[Instrumental] Dm C Dm C (X4)

Dm C Dm C Dm C Dm C

You can get addicted to a certain kind of sadness

Dm C Dm

Like resignation to the end

C Dm C Dm C

Always the end

Dm C Dm C

So when we found that we could not make sense

Dm C Dm C

Well you said that we would still be friends

Dm C Dm C Dm C Dm C

But I'll admit that I was glad that it was over //////////////////////////////////////

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

SOMEBODY THAT I

Have your friends collect your records

He kicks up at anything he hears.  
A7                                  D

His back is brawny but his brain is weak.  
Em7      A7                                  D      D7

He's just plain stupid with a stubborn streak.  
G                                  C          G      E7 A7  
And by the way, if you hate to go to school,  
D7                                  G

You may grow up to be a mule.

E7                                  A7  
Or would you like to swing on a star,  
D                                  G  
Carry moonbeams home in a jar,  
E7                                  A7          D7  
And be better off than you are?  
G  
Or would you rather be a pig?

G          C          G          C  
A pig is an animal with dirt on his face.  
G          C          G          Em7  
His shoes are a terrible disgrace.  
A7                                  D  
He has no manners when he eats his food.  
Em7      A7      D      D7  
He's fat and lazy and extremely rude.

## SWINGING ON A STAR

G C G E7 Am7  
But if you don't care a feather or a fig,  
D7 G  
You may grow up to be a pig.

E7 A7  
Or would you like to swing on a star,  
D G  
Carry moonbeams home in a jar,  
E7 A7 D7  
And be better off than you are?  
G  
Or would you rather be a fish?

G C G C  
A fish won't do anything but swim in a brook.  
G C G Em7  
He can't write his name or read a book.  
A7 D  
To fool the people is his only thought,  
Em7 A7 D D7  
and though he's slippery, he still gets caught.  
G C G E7 Am7  
But then if that sort of life is what you wish,  
D7 G  
You may grow up to be a fish.

E7 A7  
And all the monkeys aren't in the zoo;  
D G  
Every day you meet quite a few.  
E7 A7 D7  
So, you see, it's all up to you.  
B7 Am7  
You can be better than you are.  
D7 G  
You could be swinging' on a star!

[Verse]

G  
I don't wanna talk  
D/F#  
About things we've gone through  
Am/E  
Though it's hurting me  
D  
Now it's history

G  
I've played all my cards  
D/F#  
And that's what you've done too  
Am/E  
Nothing more to say  
D  
No more ace to play

[Chorus]

G  
The winner takes it all  
B7 Em  
The loser standing small  
E7/G# Am  
Beside the victory  
D  
That's her destiny

[Verse]

G  
I was in your arms  
D/F#  
Thinking I belonged there

Am/E

I figured it made sense

D

Building me a fence

G

Building me a home

D/F#

Thinking I'd be strong there

Am/E

But I was a fool

D

Playing by the rules

[Bridge]

G

The gods may throw a dice

B7 Em

Their minds as cold as ice

E7/G# Am

And someone way down here

D

Loses someone dear

[Chorus]

G

The winner takes it all

B7 Em

The loser has to fall

E7/G# Am

It's simple and it's plain

D

Why should I complain?

[Verse]

G  
But tell me does she kiss  
D/F#  
Like I used to kiss you?  
Am/E  
Does it feel the same  
D  
When she calls your name?

G  
Somewhere deep inside  
D/F#  
You must know I miss you  
Am/E  
But what can I say  
D

Rules must be obeyed  
[Bridge 2]

G  
The judges will decide  
B7 Em  
The likes of me abide  
E7/G# Am  
Spectators of the show  
D  
Always staying low

[Bridge 3]

G  
The game is on again  
B7 Em  
A lover or a friend  
E7/G# Am  
A big thing or a small  
D  
The winner takes it all

[Verse]

G  
I don't wanna talk  
D/F#  
If it makes you feel sad  
Am/E  
And I understand  
D  
You've come to shake my hand

G  
I apologize  
D/F#  
If it makes you feel bad  
Am/E  
Seeing me so tense  
D

No self-confidence, but you see ...Z

It seems plain to me ...
